

UTILITY-X[®] PANNIER

This rack is not to be used as passenger seat or in conjunction with a child seat of any kind.

Maximum weight bearing limit of this rear carrier is 40 lbs. (18 kgs). Overloading this rack could result in product failure, or frame and seat post damage.

With the purchase of this product, Headland honors a limited lifetime warranty against defects in materials or workmanship and will repair or replace defective products that fail under normal circumstances.

1. Wrap post with shim(s) if necessary.
2. Tighten bolts.
3. Wrench + seat post shim provided in storage tube.
4. Load Limits: 10 lbs. maximum for each side. With 20 lbs. on top and 10 lbs. on each side, the Utility-X Pannier Rack has a maximum capacity of 40 lbs.
